Respected Sir

I the undersigned Carpenter Maistry of the Central Jail, Bangalore most humbly beg to placethe following few lines for the sympathetic consideration and favourable orders of Government -

I beg to state that I am the Carpenter Maistry of the Central Jail for the last 13 years and am an expert in Carpentry, Carving works, Rattan works etc I hold excellent certificates from High officers, High public personalities and Exhibitions such as the British Empire Exhibition held in London in 1924 Being a Lysorean with expert knowledge in such useful arts and crafts, it is my ardent desire to do my best to expand this art to a greater extent With this view in mind I beg most humbly to place the following for sympathetic consideration of the Government of His Highness the Maharaja of Mysore

In membry of our late Highness Sri Krishnaraja Wadiyar, I wish to open some work sheds to afford training to some hands in Carpentry carving, rattan work etc

I wish to employ only ex convicts or habitual convicts to help them to lead an honest life

So, it is absolutely necessary for me to have a complete control over the workmen as most of them are men of questionable characters who might again get into their old habits if left uncontrolled As such I must have a thorough control over their public as well as private life, which involves a lot of expenditure Single handed, as I am I am unable to manage it, and require help both from the public and from the Government, In this connection, some prominent members of the public have kindly promised to secure

jobs for those convicts who are well trained in the line so I pray the Government to help me with a building site for erecting the working sheds I hope to be able to meet the feeding expenses by the sale of goods made by the convicts Incidentaly, I wish to bring to the notice of the Government that I have been highly successful in the above experiment started on a small scale with a few ex-convicts

Further I wish to state that having been associated myself with the convicts for the past so many years and I have a thorough knowledge of their ways and habits and can thoroughly control them Many a family of the ex-convicts have been immensely benefited by the above methods so I deem this a benefit to society at large and a humble service to the state The following people who were the habitual offenders and whom I had an opportunity to advise them and also give them good training in Carpentry etc , have completely thrown away their criminal habits and are leading a honest life residing in the places mentioned against their names -

1 Honnappa Carpenter Kadur
2 Veerabhadra Carpenter Tiptur
3 Venkatesh carpenter and building work, chintamani
4 Subbaiah owing a carpentry shop in Bangalore City
5 Ramanujulu working as a carpenter in his own shop in the city new market
6 Afeez baig Carpentry work at Kengeri

There are still over so many people of the same type If your honour wants to examine I feel very glad to give a detailed list

Further I beg to state that I submitted an application praying for a free site for the above charitable purpose to Sir Mirza Ismail the then Dewan of Mysore on 9-11-40 But unfortunatel I received and endorsement No A6 G1 6010/40 dated 20-1-41 from the Bangalore City Municipality informing me that no sites are available at an upset price a copy of which is herein enclosed for favour of your kind persual

Again I applied for the Municipality on 3-3-1942 praying the grant of the site behind the Railway quarters But I ved a reply in No A 6 pet 5293/41 dated 12-5-1942 informing me

that the land behind the Bangalore Railway station quarters does not belong to the Municipality a copy of which is herein enclosed for favour of your perusal

Now I have again applied to the Municipal commissioner to grant me any of the three sites out of the six sites available near Malleswaram swimming pool viz Sites Nos 169 170 171,172 173 and 214

Under the circumstances explained above and in consideration of the benefit of the scheme I pray our benign Government of His Highness the Maharaja of Mysore to grant me the above sites for this charitable effort for which I shall be ever greatful

I beg to remain
Respected Sir
Your most obedient servant,
